Flexible thinking Flexible finance

We understand that to make the most of what life has to offer, you need to be flexible.

So whether you're looking at buying the car of your dreams, upgrading your current vehicle or putting together an executive fleet, we will tailor a package that suits you. Peugeot Automobiles Australia endorse Alphaera Financial Services and their range of innovative, flexible finance options that have been designed with you in mind.

Personal Loans

Let's get personal

An Alpha Personal Loan is more than just a car loan, it's your ticket to freedom. Simple and fast, Alpha Personal Loans are designed to help you get behind the wheel of any new or used Peugeot driven mainly for personal purposes.

If there is some business use you may be able to claim a tax deduction for that portion. With a personal loan this simple, the most trouble you'll have will be deciding the model of your new Peugeot.

Prestige Purchase*

Your key to financial freedom

Because repayments are flexible, Alpera Prestige Purchase* (commercial hire purchase) offers approved business customers real freedom of choice. Whether you're buying a new or used Peugeot, Alpera Prestige Purchase* affords you many advantages and financial benefits. If you use your Peugeot for business purposes, interest charges and depreciation on the vehicle may be tax-deductible. The road opens up – when you take advantage of Alpera Prestige Purchase*.

Chattel Mortgage*

Good business sense.

Alphera Chattel Mortgage* is not merely business as usual. Offering a tax-effective solution to financing, if you hold an ABN it may enhance cash-flow and allow you the freedom to run your business the way you want to. Add to that the fact that as an ABN holder you might be able to claim back some or all of the GST contained in the vehicle purchase price and what you end up with is a less taxing lifestyle.

When ABN holders upgrade to a new Peugeot or acquire additional vehicles, Alphera can offer them many financial benefits. We like to think we're putting the equity in equality.

*Alphera Chattel Mortgage is available to approved business customers only.

Flexible lease terms and final lump-sum payments, along with fixed repayments, mean that you can tailor repayments that suit you and help preserve cash-flow which can be applied elsewhere.

After all, what you do with your money is your business.
